

# Wheatus, Humpem'n dumpem

Cough up the rent Mr. Kent;  
And don't try to blame it on the government;  
Your wife is a clown she's in town,  
she gets with some other guy;  
Are you gonna finish your fat?  
Cause I'd like to give it to my kitty cat;  
The big fat look is coming back. Yuo skinny people are screwed.  
And I know you're right;  
Yeah I know it's time.

[Chorus]

Here we go again another humpem dumpem situation;  
Here we go again another humpem dumpem situation;  
Here we go again,  
here we go again,  
Now I know what you're like and I don't think I like it.  
The newspaper says to get bent;  
Man I'd like to say that to the President;  
He got the L. in the House, I guess he already did;  
She looks like she finished here fat;  
she then turned around and ate my kitty cat;  
she coughed up a hair ball or two and laughed her way to the bank;  
And I know it's right;  
Yeah, I know it's time.

[Chorus]

Here we go again.
