

Wheatus, Never Write A Song About You

I don't get to see you that often
But here we are again
And it's christmas time
When you flirt you are relentless
How i love to be defenceless
Yeah once again you corner me
And once again i do believe
That i'd never write a song about you
All the same
You play your game
Till your boyfriend looks over
No i'd never write a song about you
Cos it shows
I think he knows
That you've taken me over again
Roll it back again to the beginning
You're all up in my grill
And it's Hallowe'en
You think you're cute without your costume
And you caught me in the front room
You say you dont like my attitude
I'll bet your boyfriend thinks its rude
And i'd never write a song about you
All the same
You play your game
Till your boyfriend looks over
No i'd never write a song about you
Cos it shows
I think he knows
That you've taken me over again
(aww son of a bitch)
hooooo-ooo-ooo-ooo-ooo
hooooo-ooo-ooo-oo-oo-ooo
hooooo-ooo-ooo-oo-oo-oo-oo-oo
hoo-hoo
hoo-hoo
hoo-hoo
hoo-hoo
hoo!
(sigh)
You dont seem to like my new girlfriend
So now it's not the same
Cos i wont play your game
And you'll say it doesnt matter
But your hold on me is shattered
So once again you corner me
Once again i do believe
That i'd never write a song about you
Never write a song about you
(never write a song about you)
Never write a song about you
(never write a song about you)
Never write a song about you
(never write a song about you)
Cos i'd never write a song about you
All the same
You play your game
Till your boyfriend looks over
No i'd never write a song about you
Cos it shows
I think he knows
That you've taken me over again
