

# Where Is The Love, I'm Sad

I'm sad because we broke up yesterday  
I'm sad because I say and you only said "hey"  
I miss you I need you and I'm sad

how do you know when i'm sad?  
where is the love that we had?  
'cause i know it's not here today

when i see you i break down crying  
and baby this time i'm not lyin'  
because i'm sad
