

Whigfield, Baby boy

Won't you touch me baby boy
I need happiness so let's rejoyce
Feeling motion trip your body
You'll be forever my baby boy
Just caress me baby boy
I need a little love and you're my choise
Feel sensation lift your body
We'll be together my baby boy
My my my my my baby
My my my my my baby
My my my my my baby boy
My my my my my baby
My my my my my baby
My my my my my baby boy
Oh oh oh oh oh oh
Touch my heart oh baby boy
'Cos you got the love that I enjoy
Feel the flame right in your body
You'll be forever my baby boy
Hold me tight my baby boy
You gotta stay with me now
Don't be coy
Feel devotion in your body
We'll be together my baby boy
Oh oh oh oh oh oh
Won't you touch me baby boy
I need happiness so let's rejoyce
Feeling motion trip your body
You'll be forever my baby boy
Just caress me baby boy
I need a little love and you're my choise
Feel sensation lift your body
We'll be together my baby boy
