

# Whigfield, Get Get Get

Oh  
Get into my life  
Oh...oh  
Get into my life

I know you know the time is right  
I know you know I wanna hold you tight  
The air is hot and stay alone  
You better move yourself and get into the danger zone  
Why don't you try a little love  
I want to make you mine

Get get get to you tonight  
You're my life  
I'll show you love so I can  
Get get get to make it right  
To satisfy  
It's in your eyes  
I'm gonna get get you tonight

A million stars, a sleepless night  
A million fantasies we bring to life  
All I possess, I'll give to you  
In my caresses baby love me underneath the moon  
My love is sweet, you can't say no  
Say that you're mine and I can

Get get get to you tonight  
You're my life  
I'll show you love so I can  
Get get get to make it right  
To satisfy  
It's in your eyes  
I'm gonna get get you tonight

Gotta get to you, gotta getcha tonight  
You are the meaning of my life  
Anything can happen late at night  
From the dreams and get into my life (oooooh)  
Gotta get to you, gotta getcha tonight (yeah..)  
You are the meaning of my life  
Anything can happen late at night (Get you tonight)  
From the dreams and get into my life  
Gotta get to you, gotta getcha tonight (yeah...)  
You are the meaning of my life  
Anything can happen late at night (Get get get)  
From the dreams and get into my life

Get get get to you tonight  
You're my life  
I'll show you love so I can  
Get get get to make it right  
To satisfy  
Oh - It's in your eyes  
I'm gonna get get you tonight  
You're my life  
I'll show you love  
Get get get you tonight  
I'll show you love  
To satisfy
