Whigfield, Givin' All My Love

<Chorus>
I need you time after time
Now that I'm sure you're mine
There's nothing better to do
Nothing like giving all my love
Givin' all my love to you.
<Chorus2>
I love you night after night
You're gonna treat me right
There's nothing better to do
Nothing like giving all my love
Givin' all my love to you
You make it so sweetly
You'll never make me cry
I think I know that you need me
I want you hear you say that you're mine
<Chorus>
<Chorus2>
And when you undress me
You make my body sing
And how you tease me and obsess me
Makin' my heart beat, doin' your thing
<Chorus>
<Chorus2>
Time after time; night after night (2x)
