

Whigfield, I Want To Love

Oh baby you see the light
Please show me the way to go
Night time is so far away
Oh baby believe in me

I want to love - oh baby see the light
I want to love - please show me the way to go
I really want to love - night time is so far away
I want to love - oh baby believe in me

In the day
I just can't concentrate
On Anything
At all

Yes my mind
It just slips away
To the night time
With you

I want to love - oh baby see the light
I want to love - please show me the way to go
I really want to love - night time is so far away
I want to love - oh baby believe in me - oh oh oh oh oh

Yes my mind
It just slips away
To the night time
With you

I want to love - oh baby see the light
I want to love - please show me the way to go
I really want to love - night time is so far away
I want to love - oh baby believe in me

Oh oh oh oh - oh baby you see the light
Oh oh oh oh - please show me the way to go
Oh oh oh oh - night time is so far away
Oh oh - oh baby believe in me

Ooh - oh love me love me
I really want to love - oh oh

I want to love - oh baby see the light
I want to love - please show me the way to go
I really want to love - night time is so far away
I want to love - oh baby believe in me

Oh oh oh oh - oh baby you see the light
Oh oh oh oh - please show me the way to go
Oh oh oh oh - night time is so far away
Oh oh - oh baby believe in me
