

Whigfield, It's alright

Don't you worry cause it's alright
Don't you worry child of the night
Cause in the morning come
With the new day sun
Love an everlasting line
We are the seed of the new breed
We'll succeed our time has come
We are the new these words are true
Let the light of love shine through
It's alright it's alright it's alright it's really alright it's alright
It's really alright
Alright alright everything's gonna be alright x 3
Alright alright it's really alright
No don't be so sad cause love is by your side
No don't be so sad that life is too short to live
