

Whigfield, Last Christmas

Oooh

Last Christmas I gave you my heart
But the very next day you gave it away
This year to save me from tears
I'll give it to someone special

Last Christmas I gave you my heart
But the very next day you gave it away
This year to save me from tears
I'll give it to someone special - special

Once bitten and twice shy
I keep my distance but you still catch my eye
Tell me baby do you recognize me?
Well it's been a year and it doesn't surprise me

Happy Christmas

I wrapped it up and sent it with a note
Saying I love you I meant it
Now I know what a fool I've been
But if you kissed me now I know you'd fool me again

Last Christmas I gave you my heart
But the very next day you gave it away
This year to save me from tears
I'll give it to someone special - special

Last Christmas I gave you my heart
But the very next day you gave it away
This year to save me from tears
I'll give it to someone special - special

Oooh baby

A crowded room friends with tired eyes
I'm hiding from you and your soul of ice
My god! I thought you were someone to rely on
Me? I guess I was a shoulder to cry on

A face on a lover with a fire in heart
A man uncovered but you tore me apart
Oooh
Now I've found a real love you'll never fool me again

Last Christmas I gave you my heart
But the very next day you gave it away
This year to save me from tears
I'll give it to someone special - special

Last Christmas I gave you my heart
But the very next day you gave it away
This year to save me from tears
I'll give it to someone special - special

A face on a lover with a fire in heart
A girl undercover but you tore me apart
Oooh baby next year

I'll give it to someone special -
I'll give it to someone special
