Follow what there is to find  
Looking out for all those hidden signs  
Never wanted a lonely time  
Too bad I can't read your mind

Taratata

Was a time when my life was mine  
Seemed to follow along the line  
Now I'm here in different time  
Long from when your love was mine

Follow what there is to find  
Looking out for all those hidden signs  
Never wanted a lonely time  
Too bad I can't read your mind

Taratata

Was a time when my life was mine  
Seemed to be going great and fine  
Now I'm here in pool of tears  
Long from when I held you near

Follow what there is to find  
Looking out for all those hidden signs  
Never wanted a lonely time  
Too bad I can't read your mind
