

Whiskeytown, Don't Wanna Know Why

Don't wanna know why you like me I don't care
Don't wanna know why I walk by and you stare
Don't wanna know why just to wanna know why
Don't wanna know why just to wanna know why

When I... breathe in, breathe out.
Carry on, carry out.
Try to... drive through your life
Breathe in, breathe out.
Carry on, carry out.
Try to... never say goodbye

Don't wanna know how you're feeling I don't care
Don't wanna know when you'll meet me I'm not there
Don't wanna know why just to wanna know why
Don't wanna know why just to wanna know why

When I... breathe in, breathe out.
Carry on, carry out.
Try to... drive through your life
Breathe in, breathe out.
Carry on, carry out.
Try to... never say goodbye

I wish I knew
How to tell you
How to tell me why
