

Whiskeytown, Dreams

well here you go again
you say you want your freedom
well who am i to turn you down
it's only right that you should
play the way you feel it
but listen closely to the sound
of machinery runnin'
like a heartbeat... drives you mad
in the stillness of remembering what you had
and what you lost...
and what you had...
and what you lost

well thunder only happens when it's raining
players only love you when they're playing
say... women... they will come and they will go
when the rain washes you clean... you'll know

well here you go again, display your crystal visions
i keep my visions to myself
It's only right that you should
play the way you feel it
listen carefully to the sound
of machinery runnin'
like a heartbeat... drives you mad...
in the stillness of remembering what you had...
and what you lost...
and what you had...
and what you lost

thunder only happens when it's raining
players only love you when they're playing
say.. women... they will come and they will go
when the rain washes you clean... you'll know
