

# Whiskeytown, Wither, I'm A Flower

Whether, I'm a lover  
Wither, I'm a flower  
Whether, I'm a lover  
Wither, I'm a flower

So city is my sister  
And country is your brother  
Learn to lose your battles  
Cryin' on a shoulder

Whether, I'm a lover  
Wither, I'm a flower  
Whether, I'm a lover  
Wither, I'm a flower

Whether, I'm a lover  
Wither, I'm a flower  
Whether, I'm a lover  
Wither, I'm a flower

Whether, I'm a lover  
Wither, I'm a flower  
Whether, I'm a lover  
Wither, I'm a flower
