

# White Kaps, Girl In The Pit

girl, look she's in the pit

now, she doesn't give a shit  
see, she's really having fun  
ohh, a jock just grabbed her buns

in the pit, shes in the pit

watch, shes gonna kick his ass  
the, first time they pass  
ouch, she kicked him in the nuts  
screams, don't ever grab my butt
