Mr. Morality media man
Passing judgement across the land
Don't wanna here what we can say

If I'm offensive - your offensive
If I'm offensive - your offensive
If I'm offensive - your offensive
If I'm offensive - your offensive too

Mr. Morality media man
Let me take you by the hand
You won't even know this place
You have never seen your face
If I'm offensive - your offensive
If I'm offensive - your offensive
If I'm offensive - your offensive
If I'm offensive - your offensive too

I talk like you

Do you kiss your mom with that guttermouth
You motherfist fucker suck my dick you whore
