

# White Lion, When the childre cry

Little child  
Dry your crying eyes  
How can I explain  
The fear you feel inside  
cause you were born  
Into this evil world  
Where man is killing man  
and no one knows just why  
What have we become  
Just look what we have done  
All that we destroyed  
You must build again  
When the children cry  
Let them know we tried  
cause when the children sings  
The new world begins  
Little child  
You must show the way  
To a better day  
For all the young  
cause you were born  
For the world to see  
That we all can live  
In light and peace  
No more presidents  
And all the wars will end  
One united world under God  
When the children cry  
Let them know we tried  
cause when the children sings  
The new world begins  
What have we become  
Just look what we have done  
All that we destroyed  
You must build again  
No more presidents  
And all the wars will end  
One united world under God  
When the children cry  
Let them know we tried  
cause when the children fight  
Then we know it aint right  
When the children break  
Let them know were awake  
cause when the children sings  
The new world begins
