

# White Williams, Headlines

Citizens joke while the stalkers rest  
The world seems lazy for the new-born baby in the headlines (headlines)  
In the headlines (headlines)  
Climb all you can, its a killers day  
Well hang from the branches while the mayor dances in the headlines (headlines)  
In the headlines (headlines)

Scavenger boy he's a nervous wreck  
His sleep from the inching, all our muscles twitching in the headlines (headlines)  
In the headlines (headlines)  
First day away she's a lonely one  
We'll go grave-digging while the red ants walk right over headlines (headlines)  
Over headlines (headlines)

Hang up the phone it's a lawyer's word  
They say he looked lazy for the rotten lady in the headlines  
In the headlines  
Lift up her lace to a stomach height  
All the Chinese shining all the policeman singing  
na na na na na na na na na na na na na na na
