

White Williams, I Want Candy

I know a girl who's tough but sweet
She's so fine she can't be beat
She's got everything that I desire
Set the summer sun on fire

I want candy

Go to see her when the sun goes down
Ain't no finer girl in town
You're my girl, just what the doctor ordered
You're so sweet you make my mouth water

I want candy

Candy on the beach, there's nothing better
I like candy wrapped in a sweater
Someday soon I'll make you mine
And I'll have candy all the time

I want candy
