

White Zombie, Cosmic Monsters Inc.

How big is life? Can it ride like the butterfly? Star in the dust - rocketman - supersky - Sugar on the hill - Explode and never die - I think I will - Come on take it! High - I gotta O yeah! So high - I gotta O yeah! Come on! So loosely illustrated - A trick of light - I demonstrated right to you what you do! How high is up? Can it reach at the butterfly? Rise in the howl hit me cold - supersky - Witness the kill explode! Never die - I think I will - Come on! take it! High - I gotta O yeah! So high - I gotta O yeah! Come on! So loosely illustrated - A trick of light - I demonstrated right to you - what you do - yeah! Deaf to the ear - Fat city slang - Bloody ma growls "concentrate the bang" - Broadway do - The winter kills - Astro-Creep'n you until-Overcome the devil - Deluxe the game - One, sweep, spun "I got no name" a paper thin cut - On the edge of hell - Wrestle with heaven but I never fell - Sink to a level realize no direction - West of the moon - I got no reflection - Blood on the stone I do not surrender - Wait'n for someone I do not remember - Yeah! I gotta - O yeah! Come on! So High - I gotta O yeah! Come on! So loosely illustrated - A trick of light I demonstrated right to you - what you do - Cosmic monsters waited - Turn around incorporated - Right to...
