

# White Zombie, Heavy-White Zombie - Electric Head

We all go down for the sacrificial moment  
Crucifixion nails stain the bed of the holy.  
Space thing blues diamond studded - sugar coated  
Well, I am hell a miracle overloading

Turn me on yeah  
Electric head - all over  
Turn me on yeah  
Electric head - all over

We all go down for the God of the moment  
Super demon seed running wild and below and  
Head trip news turn a trick to the flow and  
Sugarland Express what you know and  
Get inside get in there  
Evil in your eyes baby I don't care  
Get inside get in there  
See the flesh falling everywhere

Turn me on yeah  
Electric head - all over  
Turn me on yeah  
Electric head - all over

Get inside get in there  
Evil in your eyes baby I don't care  
Get inside get in there  
See the flesh falling everywhere

Turn me on yeah  
Electric head - all over  
Turn me on yeah  
Electric head - all over

We all go down for a piece of the moment  
Watch another burn to the death to the core  
And the roadshow thrills pack the freaks and the phonies  
Sing: now is now, yeah! All I ever wanted

Turn me on yeah  
Electric head - all over  
Turn me on yeah  
Electric head - all over
