

White Zombie, Ratfinks, Suicide Tanks & Cannibals

Unlike the Devil, yeah
I've never seen the face of god
Sweet Mr. Jesus, yeah
Infected on my skin
Demons surround you, yeah
I'm crawling on the ground
Shame for another, yeah
Another taste of life

It's alive, yeah everybody
It's alive, oh the creepers call me
It's alive, yeah everybody
It's alive, oh the creepers call me

Dead parts around you, yeah
Draw me forever black
My creature core is, yeah
Is crawling on the ground
Calling another, yeah
Unholy wall of sound
Say that you love it, yeah
Don't make me turn it down

It's alive, yeah everybody
It's alive, oh the creepers call me
It's alive, yeah everybody
It's alive, oh the creepers call me

Born to kill, yeah
Black, blue and bloody fingers
Hong Kong head, yeah
Who's gonna face this wheel
Now filthy smooth, yeah
I'll tell the pussycats
An ultra-pain, yeah
I'll blow it all away

It's alive, yeah everybody
It's alive, oh the creepers call me
It's alive, yeah everybody
It's alive, oh the creepers call me
