

White Zombie, Ratmouth

A knuckle duster is the most deadly in the ponderous pace
Of floating justice single-handed dynamo.

Take it now, say the way we want and not for you to point the finger
combustible in a word fuck'n. Say the word and you'll be free.

Continue your journey Superman say I am we can put you down
not a wizard-boy question just a demonstration of definition.

Silver city crusading to the top of a fug'n bone break most
vile experiment ready to eat your ass. Clockface. Bigtime.

We are. Somekind. Say it. Like always.

Sound + silence promote the zero.

A steel hammer game from me to you, but I don't mind the matter.

Ratmouth don't know what you need just know what you want.

'Walking dead' crawling bloodthirsty Hollywood demon flower grow in the
Valley of Love like a freak highway accident.

Last ride rolling down say hi-density.

Glory stomp gonna make the girl in the room +
in the house turn and see that I ain't there...
