

White Zombie, Starface

September in the rain - her sweat come a frozen onto
my skin - Eliminate the outerspace and come and get I'm
swing'n down it again - Synchronize me - fall away - I
believe that - I wicked on the way look alive now! Yeah!
Stars explode my eyes - Well, "I been down a long time";
Days crawl away and die "forever is a long time!";
Remember howling "crazy"; like at the moonlight
superfly - A penetrating powerman "O baby"; I'm painted
in the sky - Iron fister - on the
hour / paralyzing demon - flower
- Yeah! Stars explode my eyes - "I
been down a long time"; Days crawl
away and die "forever is a long
time!"; Surround the pain the love's
insane - got a pseudo-systematic
gain Careening through the neon
side - a horizontal "mind collide"; -
Harum scarum holiday - Double
deal'n on the ones who say
"collapse me with a powerblast";
Groung to zero roll'n fast - Ride
the glide - treasure slide - got a
wooden symbol soul inside - "Freeze";
the heart - a razor tear pack she
doesn't care - If the pillow jacob sky snatch the pad I
don't deny - Been a long time - been a long time - Step into
the wind a watch a red girl come alive She scream'n to
the world "I diggin' on the fact that you will not
survive!"; Radiate me - walk away - You shook the devil's
dig deep hand today - Yeah! Stars explode my eyes, Well,
"I been down a long time"; Days crawl away and die,
"Forever is a long time!"; A million miles an hour - a
million miles an hour - a million miles an hour - let's
get inside!
