Jesus lived his life in a cheap hotel  
on the edge of Route 66 yeah He lived a dark and twisted life and he came right back just to do it  
again - Eye for and eye and a tooth for the truth -I ain't never seen a demon warp deal'n aring-a-dir  
mind can't clutch the feeling - yeah!

DEVILMAN - DEVILMAN - calling DEVILMANrunning in MY HEAD YEAH

Hell hounds lead at the cowardly kings  
And carry souls across the river Styx  
yeah! They see no evil and feel no pain  
Sucking juice from a fallen angel - I dreamedI was a super nova f\*\*ker nitro-  
Burning and fuel injection - Feed the gods a strychnineSoul a motherf\*\*ker of invention

DEVILMAN - DEVILMAN - calling DEVILMANrunning in MY HEAD YEAH

Deformed and f\*\*k'n lazy  
Damn yourself and choke  
On my name I'd love to love ya baby  
Deadringer rats swinging in the trees  
Immaculate conception Bury me an angel God I need some inspiration
