Whitehouse

DEEP

So here I am waiting again to see your sweet, sweet smile  
Stolen moments that we share it's always for a while

It wasn't meant to be they say it's blind, we could not see  
And now it's much too late we've fallen deep in you & me

I hear the ticking of the clock and I can feel you near  
I long to start and never stop and always keep you here

It seems so real to me let's make it last eternally

We can not turn back now we've fallen deep in you & me

It wasn't meant to be they say it's blind, we could not see  
And now it's much too late we've fallen deep in you & me

So here I am waiting again to see your sweet, sweet smile  
Stolen moments that we share it's always for a while

It seems so real to me let's make it last eternally  
We can not turn back now we've fallen deep in you & me

It wasn't meant to be they say it's blind, we could not see
