

# Whitehouse, Lightning Struck My Dick

Can you see?  
Can you see this?  
Let me celebrate  
Have a celebration  
Let me celebrate  
Let lightning strike my dick

Let me fuck your mouth  
And your parents  
And your family  
Let me fuck your whole history  
Let me fuck the cops  
And the dealers  
And the pimps  
And the welfare workers  
And the politicians  
Let me fuck this whole country  
Let me fuck your mouth  
Let me fuck your mouth, sister  
Let me fuck your mouth

Let me celebrate  
Have a celebration  
Let the fireworks go off  
Let lightning strike my dick
