

# Whitesnake, All I Want All I Need

Wherever you go I'll be there  
I'll be waiting to care for you  
Whatever you want I'll try to give you  
No matter what I have to do  
Through thick and thin  
I'll be your friend  
By your side till the very end  
You're all I want all I need  
So baby flow like a river to me  
Cause you're all I ever wanted  
So come on and bring it to me  
You're all I want all I need  
And it's more than I can ask for  
You're all I want all I need  
So much more than I could ask for  
I remember the days when we were young  
I held your hand like a precious stone  
It's still the same nothing's changed  
Baby, I'll never ever leave you alone  
When I look in your eyes I realize  
All the love that I feel is true  
And everything that we've been through  
Baby, it's what did just to be with you  
Cause you're all I ever wanted  
So come on and bring it to me  
You're all I want all I need  
And it's more than I can ask for  
You're all I want all I need  
You are on my mind  
All the time  
I'm living alone  
You're all I want all I need  
And it's more than I can ask for  
You're all I want all I need  
So much more than I could ask for  
You're all I want all I need  
And it's more than I can ask for  
You're all I want, you're all I need  
You're all I want all I need  
And it's more than I can ask for...
