

Whitesnake, Breakedown

Getting near the end, now I knew the time was right for a breakdown.
Megaton surprise but your eyes never made it a shakedown.
Shot you full of rock n roll, couldnt make your soul,
Didnt burn you to the bone.
Do what the man says, take the money and run.
But, I never saw the splendour
In stealing all your gold,
Taking all your silver
And doing what Im told.
I never saw the tears but I knew you cried for rhythm n blues.
Screaming like a wildcat I knew that I had nothing to lose.
Shot you full of rock n roll, couldnt make your soul,
Didnt burn you to the bone.
Do what the man says, take the money and run.
But, I never saw the splendour
In stealing all your gold,
Taking all your silver
And doing what Im told.
Its just a breakdown,
Breakdown,
Breakdown,
Breakdown.
Shaking like a leaf in the wind see me blowing away.
Never see me fall on the ground till Ive had my say.
Shot you full of rock n roll, couldnt make your soul,
Didnt burn you to the bone.
Do what the man says, take the money and run.
But, I never saw the splendour
In stealing all your gold,
Taking all your silver
And doing what Im told.
Its just a breakdown,
Breakdown,
Breakdown,
Its just a breakdown.
