Whitesnake, Breakedown

Getting near the end, now I knew the time was right for a breakdown. Megaton surprise but your eyes never made it a shakedown. Shot you full of rock n roll, couldnt make your soul, Didnt burn you to the bone. Do what the man says, take the money and run. But, I never saw the splendour In stealing all your gold, Taking all your silver And doing what Im told. I never saw the tears but I knew you cried for rhythm n blues. Screaming like a wildcat I knew that I had nothing to lose. Shot you full of rock n roll, couldnt make your soul, Didnt burn you to the bone. Do what the man says, take the money and run. But, I never saw the splendour In stealing all your gold, Taking all your silver And doing what Im told. Its just a breakdown, Breakdown. Breakdown, Breakdown. Shaking like a leaf in the wind see me blowing away. Never see me fall on the ground till live had my say. Shot you full of rock n roll, couldnt make your soul, Didnt burn you to the bone. Do what the man says, take the money and run. But, I never saw the splendour In stealing all your gold, Taking all your silver And doing what Im told. Its just a breakdown, Breakdown, Breakdown, Its just a breakdown. (Solo) Getting near the end, now I knew the time was right for a breakdown. Megaton surprise but your eyes never made it a shakedown.
