

# Whitesnake, Gambler

I've been a gypsy  
For a thousand years.  
A victim of circumstance.  
I go wherever my destiny calls.  
I'm caught in a game of chance.  
I stand on the outside  
Looking at love.  
I wanna get inside.  
I stand on the outside  
Looking at love.  
Just trying to get inside.  
No fame or fortune,  
No luck of the draw.  
When I dance with Queen of Hearts.  
A jack of all trades.  
But, a loser in love.  
It's tearing my soul apart.  
Still I stand on the outside  
Looking at love.  
I wanna get inside.  
I stand on the outside  
Looking in.  
I stand on the outside  
Looking at love.  
Just trying to get inside.  
I stand on the outside  
Looking in.  
(Solo)  
The jack of diamonds  
An the ace of spades  
Try to use me, and to abuse me.  
It seems the dealer  
Wont give me a chance.  
I'm victim of circumstance.  
So I stand on the outside  
Looking at love  
I wanna get inside.  
I stand on the outside  
Looking in.  
So I stand on the outside  
Looking at love  
Just trying to get inside.  
I stand on the outside  
Looking in...
