

# Whitesnake, Hungry For Love

I keep hangin on the promise of love  
Your eyes tell me that Im gonna see.  
I feel the hunger like a starving man  
Honey, when you stand close to me.  
I start to shiver, I start to shake,  
Chills up an down my spine,  
Im in the mood for action  
In need of satisfaction,  
Babe, Im gonna make you mine.  
Now I believe in you,  
An everything that you do.  
Cos Im hungry for love,  
Im hungry for love, Im hungry for love,  
I cant get enough, I cant get enough, I cant get enough.  
Ive got the weakness of an ordinary man  
I need the comfort of womanly mind,  
But, I get nervous when I think about  
So many women an so little time.  
But, I believe in you,  
An everything you do.  
Cos Im hungry for love,  
Im hungry for love, Im hungry for love,  
I cant get enough, I cant get enough, I cant get enough.  
(Solo)  
I start to shiver, I start to shake,  
Chills up an down my spine,  
I get so nervous when I think about  
So many women an not enough time.  
But, I believe in you,  
An everything that you do.  
Cos Im hungry for love,  
Im hungry for love, Im hungry for love,  
I cant get enough, I cant get enough, I cant get enough.  
Im hungry for love, Im hungry for love, Im hungry for love,  
I cant get enough, I cant get enough, I cant get enough,  
I cant get enough, I cant get enough, I cant get enough.  
Im hungry for love.
