

Whitesnake, Hungry For Love

I keep hangin on the promise of love
Your eyes tell me that Im gonna see.
I feel the hunger like a starving man
Honey, when you stand close to me.
I start to shiver, I start to shake,
Chills up an down my spine,
Im in the mood for action
In need of satisfaction,
Babe, Im gonna make you mine.
Now I believe in you,
An everything that you do.
Cos Im hungry for love,
Im hungry for love, Im hungry for love,
I cant get enough, I cant get enough, I cant get enough.
Ive got the weakness of an ordinary man
I need the comfort of womanly mind,
But, I get nervous when I think about
So many women an so little time.
But, I believe in you,
An everything you do.
Cos Im hungry for love,
Im hungry for love, Im hungry for love,
I cant get enough, I cant get enough, I cant get enough.
(Solo)
I start to shiver, I start to shake,
Chills up an down my spine,
I get so nervous when I think about
So many women an not enough time.
But, I believe in you,
An everything that you do.
Cos Im hungry for love,
Im hungry for love, Im hungry for love,
I cant get enough, I cant get enough, I cant get enough.
Im hungry for love, Im hungry for love, Im hungry for love,
I cant get enough, I cant get enough, I cant get enough,
I cant get enough, I cant get enough, I cant get enough.
Im hungry for love.
