Whitesnake, Lady Double Dealer

Get outta my way Im gettin tired of you There aint no chance Doin what you wanna do Ive been down, down, down, down, down Got to get my feet back on the ground Lady double dealer Get outta my way Lady double dealer You got nothing to say I aint satisfied Dealin with second hand goods You wanted somethin for nothin Taking everything you could You been round - I got the news But you aint waitin round for me to lose Lady double dealer Get outta my way Lady double dealer You got nothing to say I gave love to you Did what you wanted me to But all you did was bring me down So I just had to try Try to reason why You took advantage of my love Two timin woman Tryin to take me for a ride Youre a hard lover honey But you sure dont keep me satisfied I wanna be there To try to make you see

There aint no woman gonna make a fool outta me
