

Whitesnake, Lay Down Stay Down

I dont care if my ladys gone
as long as you give me just what I want
Ive been losin my direction,
got to find a new connection
You have wasted the love I tasted,
now Im really gettin hungry more and more
Been a long time, had a bad sign
Tell me what am I fighting for?
Let me know you feel it,
you know I really need it
Keep on pushin for more,
lay down, stay down
I got something to find,
theres one thing I really need
Im gonna tell you right now,
lay down, stay down
Lookin for trouble, I guess thats right
When I was young I was taught to fight
Its been long gone since I had known,
now Im headin for some more
Let me know you feel it,
you know I really need it
Keep on pushin for more,
Lay down, stay down
I got something to find,
theres one thing I really need
Im gonna tell you right now,
lay down, stay down
Let me know you feel it,
you know I really need it
Keep on pushin for more,
lay down, stay down
I got something to find,
theres one thing I really need
Im gonna tell you right now,
lay down, stay down
