

Whitesnake, Lie Down (A Modern Love Song)

(David Coverdale, Micky Moody)

You got the smile of a Mona-Lisa,
Know it all an' giving nothing away
You make the sins of a vestal virgin,
Look nothing more than a roll in the hay

So lie down, I think I love you,
Lie down, I think I care
Lie down, I think I love you,
Lie down, I think I care

You give an air of la Dolce Vita,
Society's made a queen out of you
Casanova couldn't take all your virtue,
But, rock 'n' roll is gonna steal it from you

So lie down, I think I love you,
Lie down, I think I care
Lie down, I think I love you,
Lie down, I think I care

Come on, girl, it'll be alright,
Easy does it nice and slow
Woah, you know, mama, that tonight's the night,
Come on and let your feelings show

Take a look in the mirror,
Tell me what you see
If it ain't sweet surrender
You can blame it on somebody, not the devil in me

So lie down, I think I love you,
Lie down, I think I care
Lie down, I think I love you,
Lie down, I think I care

Take a look in the mirror,
Tell me what you see
If it ain't sweet surrender
You can blame it on somebody, not the devil in me

Lie down, I think I love you,
Lie down, I think I care
Lie down, I think I love you,
Lie down, I think I care...
