

Whitesnake, Looking For Love

Im tired of waiting
An closing my eyes
Im asking myself
Why is it all my horizons
Are so far away.
I look in the mirror
Dont like what I see,
In my reflection
A stranger is staring at me,
Looking for love.
The love of a woman
The needs of a man,
I try so hard to believe
But I dont understand,
The search goes on.
But over the mountains
Across the sea,
I know love is waiting
I hear it calling to me,
Calling my name.
Im looking for love all around me
Looking for love to surround me.
The love that I need
To rescue the state of my heart.
Alone again, Its always the same
Ive just been marking my time
Since the day I was born,
With no one to blame.
The candle is burning
Its way down low
I just need someone
To show me the way, the way to go,
Which way to go.
Im looking for love all around me
Looking for love to surround me.
The love that I need
To rescue the state of my heart.
Im looking for love,
An finding only heartache.
Looking for a love,
An finding only heartache.
Im looking for love to rely on,
Looking for love, a shoulder to cry on.
Im looking for love
To rescue the state of my heart,
To rescue the state of my heart.
Oh baby.
(Solo)
Im looking for love,
An finding only heartache.
Looking for a love,
An finding only heartache.
Im looking for love to rely on,
Looking for love, a shoulder to cry on.
Im looking for love
To rescue the state of my heart...
