

# Whitesnake, Might Just Take Your Life

I got more than I asked for,  
There aint nothin I need.  
I took all till I had more,  
Im always takin the lead.  
Old man shakin dice down on the street,  
Tryin to make a livin somehow.  
But, Im really sure about gettin things sorted out  
And Im gettin ready right now.  
You cant hold me,  
I have told you.  
Might just take your life,  
Might just take your life.  
Ive been called by many names  
And all of them are bad.  
I can take it all the same,  
Its all Ive ever had.  
Ive got something that you cant get  
But, one thing you can see.  
Gettin there aint easy  
But, it sure was hard for me.  
You cant hold me,  
I have told you.  
Might just take your life,  
Might just take your life.  
Every time I take a look  
Theres someone close behind.  
They never used to make a pass,  
The things that crossed their minds.  
Now they tell me that its all right  
And they want to be my friend.  
Theyre ridin on my back.  
So when is it goin to end.  
You cant hold me,  
I have told you.  
Might just take your life,  
Might just take your life,  
Might just take your life.  
(Solo)  
Got more than I asked for,  
Got more than I need.  
Got more than I asked for,  
Got more than I need.  
Might just take your life...
