

Whitesnake, When I see you smile

Sometimes I wondered if I'd ever make it through
Through this world without having you
I just wouldn't have a clue
'Cos sometimes it seems
Like this world's closing in on me
And there's no way of breaking free
And then I see you reach for me
Sometimes I wanna give up, I wanna give in
I wanna quit the fight
And then I see you baby
And everything's all right
Everything's all right
When I see you smile, I can face the world
You know I can do anything
When I see you smile
I see a ray of light
I see it shining right through the rain
When I see you smile, baby when I see you smile
At me, oh yeh
Baby there's nothing in this world that could ever do
What the touch of your hand can do
It's like nothing that I ever knew
And when the rain is falling, I don't feel it
Cos' you're here with me now
And one look at you baby is all I'll ever need
Is all I'll ever need
When I see you smile, I can face the world
You know I can do anything
When I see you smile
I see a ray of light
I see it shining right through the rain
When I see you smile, baby
Baby when I see you smile
At me
Sometimes I wanna give up, I wanna give in
I wanna quit the fight
Then one look at you baby and everything's all right
Hey, everything's all right
It's all right
When I see you smile, I can face the world
You know I can do anything
When I see you smile
I see a ray of light
I see it shining right through the rain, yeh
When I see you smile
Yeh I can face the world, you know I can do anything now
When I see you smile, oh yeh
Baby, when I see you smile
Smile at me
