## Whitney Houston, Greatest love of all

I believe the children are future Teach them well and let them lead the way Show them all the beauty they possess inside Give them a sense of pride to make it easier Let the children's laughter remind us how we used to be

Everybody searching for a hero
People need someone to look up to
I never found anyone to fulfill my needs
A lonely place to be

So I learned to depend on me

Chorus:

I decided long ago, never to walk in anyone's shadows

If I fail, if I succeed
At least I live as I believe
No matter what they take from me
They can't take away my dignity
Because the greatest love of all

Is happening to me

I found the greatest love of all

Inside of me

The greatest love of all Is easy to achieve Learning to love yourself It is the greatest love of all

It is the greatest love of all
I believe the children are our future
Teach them well and let them lead the way
Show them all the beauty they possess inside
Give them a sense of pride to make it easier
Let the children's laughter remind us how we used
to be

Chorus
And if by chance, that special place
That you've been dreaming of
Leads you to a lonely place
Find your strength in love
