

Whitney Houston, Love is

Love is what we make it
We can make it something lovely
So don't desert me
Instead, learn to trust me
And love is what we make it
So let's make it, love
Also love is
Give and taking
Also making the best of nothing
Let your each be one of compassion
And love is, what we make it
So let's make it love
Why work against the grain to try so hard to grow
Why should we work in vain when in your heart you know
Work against the grain you try so hard to grow
Why should we work in vain when in your heart you know
Love is sacrifices
Sweet devices
Toward one another
So let's discover
Why don't we discover
Let's all discover
What love has undercover
I found that love is give and taking
Love is sacrificing
Love is what you make it
Let's make it love
Sweet love Love
