Whitney Houston, Nobody Loves Me Like You Do

Like a candle burning bright Love is glowing in your eyes A flame to light our way That burns brighter everyday But now I have you Nobody loves me like you do

Like a leaf upon the wind I could find no place to land I dreamed the hours away And wondered everyday Do dreams come true Nobody loves me like you do

[Chorus:]
What if I'd never met you
Where would I be right now
Funny how life just falls in place somehow
You've touched my heart in places that I never even knew
Cause nobody loves me like you do

I was words without a tune I was a song still unsung

A poem with know rhyme A dancer out of time But now there's you Baby, nobody loves me like you do

[chorus]
