

# Whitney Houston, Unashamed

If I changed my mind,  
if I changed my faith,  
every time a stop light signaled  
each time I made mistakes  
I don't think that I  
would be where I am today  
I live my life without regrets  
what you see is  
what you see is  
what you see is what you get  
And I'm

[Chorus:]  
Unashamed of the life I lead  
unashamed of the strength on my knees  
of choices I've made,  
of the love that I've saved  
of the things I've done,  
my belief in the One  
Unashamed of the words of my friends,  
i know who they are  
make mistakes, make amends  
follow my instincts, my star  
on my sleeve i wear my heart  
unashamed

Adding up my life, it totals all my dreams  
I'm counting all my blessings  
and the gifts I have received  
Still there's always someone  
something to overcome  
Took all my life to understand  
that I am what I am, who I am  
unashamed

[Chorus]

(Do you)  
do you wanna know how it goes?  
Do you wanna control how I feel?  
Do you wanna stay in my life?  
Then listen here, and listen good,  
you got to get it,  
got to get it,  
got to get it right!  
Unashamed

[Chorus]  
(say what you want)
