

# Whitney Houston, When you believe

Many nights we've prayed  
With no proof anyone could hear  
In our hearts, a hopeful song  
We barely understood  
Now we are not afraid  
Although we know there's much to fear  
We were moving mountains long  
Before we knew we could, oh yes  
1 - There can be miracles when you believe  
Though hope is frail, it's hard to kill  
Who knows what miracles you can achieve  
When you believe, somehow you will  
You will when you believe  
Oh yeah, in this time of fear  
When prayer so often proves in vain  
Hope seems like the summer birds  
Too swiftly flown away  
Yet now I'm standing here  
My heart so full I can't explain  
Seeking faith and speaking words  
I never thought I'll say  
Repeat 1  
They don't always happen when you ask  
And it's easy to give in to your fears  
But when you're blinded by your pain  
Can't see the way, get through the rain  
A small but still, resilient voice  
Says hope is very near, oh  
Repeat 1  
You will when you  
You will when you believe  
Just believe  
I believe, I believe  
Just believe  
You will when you believe
