Whitney Houston, When you believe

Many nights we've prayed With no proof anyone could hear In our hearts, a hopeful song We barely understood Now we are not afraid Although we know there's much to fear We were moving mountains long Before we knew we could, oh yes 1 - There can be miracles when you believe Though hope is frail, it's hard to kill Who knows what miracles you can achieve When you believe, somehow you will You will when you believe Oh yeah, in this time of fear When prayer so often proves in vain Hope seems like the summer birds Too swiftly flown away Yet now I'm standing here My heart so full I can't explain Seeking faith and speaking words I never thought I'll say Repeat 1 They don't always happen when you ask And it's easy to give in to your fears But when you're blinded by your pain Can't see the way, get through the rain A small but still, resilient voice Says hope is very near, oh Repeat 1 You will when you You will when you believe Just believe I believe, I believe Just believe You will when you believe
