

Whole Wheat Bread, Miss The Bus

Wasted all day
And its time to get up
Your already too late
And you just missed the bus
We can't be to blame
If you got drunk with us
Your excuses don't change
Circumstance is, you're fucked

You're fucked, You're fucked,
Because you missed the bus
You're fucked You're fucked
You forgot to wake up
You're fucked, You're fucked,
Because you missed the bus
You're fucked You're fucked
AAAWWWWWWWWW YOU'RE FUCKED!!
FUCK
