

Why Store, Two Beasts

Two beasts
One bargain
Let 'em out
For the show
Two dreams
One coffin
Let 'em out
Before they go
Before they go
Before they go
Down on Lacy
She is real good
Down on Lacy
Yeah, she should play
Been a pawn
In this picture
She's been everyone's
Point of view
You keep holding on
And you never let go
You keep holding on
And you never let go
Two beasts
One burden
Let 'em out
So they grow
Two wings unbroken
Let 'em out
Free to fly home
And you keep on keepin' on
With your head to the wind
And you keep on keepin' on
And you will win, yeah!
You never say nothin'
When you're hoping for something
You never say nothin'
When you're searching for something
Two beasts
One bargain
Let 'em out
To enjoy the show
Two dreams
One open coffin
Let 'em out
Before they go
You keep holding on
And you never let go
You keep holding on
And you never let go
Oh, you never let go
No you never let go
