

# Why Store, When You're High

I like the way the grass  
Feels between my toes  
When I'm running naked  
In the woods with you babe  
Well I like the way it feels  
Well oh so high  
And I want to make love to you  
Want to do the things  
Oh the things we do  
Well I like it babe  
Let's get high!  
When you're high  
When you're high  
When you're high  
You feel fine  
Well I know  
Sometimes life can get you down  
You need something or someone  
To pick you up off the ground  
Well the Why Store's got what it takes  
To get everybody high  
And I want to make love to you  
Want to do the things  
Oh the things we do  
Well I like it yeah  
Let's get high!
