

Whytेशadows, My Love For You

There's not a day that goes by
That I don't think about you
You're the world to me

Without you I don't know what I would do
You made me complete
Letting me be me

My love for u will run for all eternity
And I love u more each day
Baby please don't let me go,
Cause you're love is all that all I need
You're my heart you are my soul
I love u so much my love
Your love is the greatest thing to me
I'll never let go

My love for you will never end
When I see you
I fall right back in love again with you
I wish the world could see
What I see

Oh, There no love greater then ours babe
You are my life my heart is yours
You're just about the most beautiful thing
I've ever seen
You're my every thing

You're the reason why I believe in love
And without a word said
Lets me know you understand
Baby you're apart of me

You're my heart you are my soul
I love you so much my love
Your love is the greatest thing to me
I'll never let go

My love for you will never end
When I see you
I fall right back in love again with you
I wish the world could see
What I see

You're my heart you are my soul
I love u so much my love
Your love is the greatest thing to me
I'll never let go
