

# Wide Mouth Mason, Reconsider

You've taken in too much  
Maybe it's best you turn it off  
It's easy to come unglued  
In a town where there's nothing to do

Hey come back here I'm not done with you

All I really want  
Is you to say what you really want  
It's the same to me  
If I stay or if I leave  
So reconsider  
Reconsider me  
Reconsider me gone

In the wake of the way you arrived  
I could've lost you in the sky  
On the crest of a wave you ride  
Are you tossing me aside

Hey come back here I'm not done with you

All I really want  
Is you to say what I really want  
It's the same to me  
If you stay or if you leave  
So reconsider  
Reconsider me  
Reconsider me gone
