

# Wide Mouth Mason, This Mourning

Norning came a little early today  
Woke me up when I wasn't ready  
Creeping, in through the window I guess  
It came in wuiet while I was sleeping  
I'm dreaming my way through the rain today  
Now the clouds have moved inside  
But it's alright  
Well I'm not supertitious  
So I grab an umbrella  
Sit on down and get washed away  
Na na na na na na na na  
Na na na na na na na  
And I'll sing to the rain is gone  
One hour ago it was raining  
Sunshine I never thought I'd see your face  
Slowly I'll shake the cobwebs away  
It's alright by me if it's cool by you  
If it's all day long  
Singing like fools
